

## PRIVACY POLICY

1. The Website automatically gathers information included only in cookies.
2. Cookies are text files stored in each user's device. They facilitate using the Website and include most importantly: the name of the website of their origin, their unique number and storage time at the user's device.
3. The Operator of the Website (DIZGUT SP. z o.o. Szybowników 28, 64-100 Leszno, Poland) is an entity that places cookies on the user's device and has access to them.
4. The Operator of the Website uses cookies to:
  - Adjust the content of the Website to individual preferences of its users, especially to recognize the device and open the Website according to its preferences,
  - Prepare statistics that help recognize the preferences and behavior of the users. The analysis of these statistics is anonymous and facilitates the adjustment of the Website to current trends and the evaluation of the Website's popularity,
  - Log in to the Website,
  - Keep the user logged in on each subpage visited.
5. The Website uses two basic types of cookies – session and persistent. Session cookies are temporary and stored until the user leaves the Website (by opening another website, logging out or closing the browser). Persistent cookies are stored on the user's device until the user deletes them or they expire.
6. The user may change their browser's settings anytime to block cookies or to receive a notification each time they are placed on their device. Other possible options can be checked in browser's settings. One needs to remember that the majority of browsers accept cookies by default.
7. The Operator of the Website informs that changes in browser's settings may limit access to some functions of the Website.
8. Cookies that are used by the Website and placed on the user's device may be shared with the Operator's business partners and cooperating companies.
9. Information about browser's settings is available in its menu (help) or its producer's website.
